

How myPhoneRoom's Social Powered Automated Sales Funnel works to create the 'Ultimate Qualified Prospect List Building Machine'

Your qualified prospect is instantly added to your myPhoneRoom Social Powered Automated Sales Funnel and the following steps are done for you because the money is in the follow up:

- (1*) Prospect is added to your myPhoneRoom contact manager.
- (2*) Prospect is added to your myPhoneRoom email autoresponder system.
- (3*) Prospect is booked to your company's webinar or tele-seminar.
- (4) A live 3-way introduction can be performed between you and your prospect.
- (5*) Prospect can be sent a Facebook friend request.
- (6*) Prospect can be sent a Twitter 'follow me' request.
- (7*) Prospect can be sent a LinkedIn contacts request.
- (8) Prospects mailing address can be collected so you can send them direct mail.
- (9*) Automatic text messages (SMS) can be sent.
- (10*) Prospect can be added to your text message (SMS) autoresponder system.
- (11*) Plus you can also send voice broadcasts at any time you want to your entire list of qualified prospects.

All this allows you to...

- (1) Finally get a list of qualified prospects.
- (2) Put qualified prospects in front of your company's presentation every night.
- (3) Build a social media empire and business without lifting a finger.
- (4) Earn your prospects' trust and respect (making recruiting much easier).
- (5) Personal branding and becoming the leader your prospects are looking for begins here.
- (6) Rapport and relationship building can now truly begin.
- (7) The education process explaining the unique features and incredible benefits of your business and products can begin in earnest.
- (8) Capitalize your list and make more money by selling quality products that will help and benefit your prospects.
